THE R. R. SUIT.

IT IS DECIDED.

To the People of Plumas County.

The suit of the People against the Quincy and Virginia City Railroad Company has at last been decided. The decision is in favor of the People. The case was on trial on Monday, Tuesday and Wednesday, in the District Court, before Judge Sexton, and although the trial was conducted not only fairly and impartially by the Judge, we are of the opinion that if any wrong rulings were made in regard to the admission of evidence, etc., all of the rulings were to the benefit of the People. The Attorney for plaintiff did not present a single instance present and proved that there was even a technical error in the formation of which any of the evidence was taken, much less did they show that the case was legal and fair. In fact, the defendants' Attorney, after the evidence was given, a verdict was returned that the People had failed to make out a case, that they should not be allowed to proceed, although they had not argued the case for more than five hours.

THE CASE ENDED. We say ended because in our opinion, the Attorney General of the State of California, who now has an appeal to the Supreme Court to be taken. He never will allow the evidence and reads the findings of the Court. It would be an abuse of the power of his office to do so. Hence, the case is settled, and if the suit is settled, there will be no appeal. Now, in all candor, we ask the People of Plumas County, what they think of the matter? Have they acted for the best interests of the county? Was the "blatant legal advice" they received from the District Attorney and his Associate, wise, sensible and honest? The case stands now in the same position as it did before the Supervisors resigned, and the suit was commenced, with this exception, no further legal action can be taken on the part of the county to defeat or delay the fulfillment of the requirements of the Bond Act, provided the Railroad Company should choose to enforce it. But, although we are not officially authorized to speak for the O. & V. C. R. R. Co., we can, and more so, inform the people of Plumas County, that the Company do not intend, never have intended, and WILL NOT TAKE ANY STEPS TO ENFORCE ONE DOLLAR'S WORTH OF COUNTY BONDS TO AID IN BUILDING THIS ROAD UNTIL THE PEOPLE, OR AT LEAST UNTIL A MAJORITY OF THEM ARE PERFECTLY WILLING SO TO DO. We know when we speak. We further know that this suit has delayed work upon this road, we know, and tell the people of Plumas County, that this railroad will be built, and that work, actual work, upon it will be commenced in a few short months.

Citizens of Plumas County, you have been misled in regard to the intentions of this Company. You have been up in arms given you by interested parties, and which was against the best interests of the county. This matter could, and should have been compromised. Through the advice of certain attorneys, a suit was brought, and that suit was ended. The expenses were large, very large, and although it is a legal charge against the State, yet we fear that unless the proper person is sent to the Legislature, the whole cost will be saddled upon Plumas. If, as in justice, they should be, the defendants' attorneys' fees are allowed, the costs of this suit will not fall one dollar short of \$20,000, and the amount of damages which will doubtless be claimed of the State by the Company, will not be a small sum. Besides, the People's Attorneys will expect to be paid something. How much, tax payers of Plumas, do you think they should be allowed? We rather calculate that when the allowance is made, you will wish that by your votes you had not assisted in re-electing the old Board of Supervisors, who are nothing but tools in the hands of the Clique. Chickens will come home to roost, and if you don't come to the conclusion that there is the "biggest" lot in this instance that you ever saw or expected to see, we shall be agreeably disappointed. In our humble opinion, instead of Plumas County paying Gear & VanClief one dollar, they should be recommended to pay to the Treasurer of Plumas County \$10,000 for the expense they "forced" upon the people by their "legal advice," and the members of the Board of Supervisors should be forced pay the \$10,000 for their foolish, unprincipled and mercenary action in this matter.

What say you now? Was not the course recommended through the columns of this paper, the proper one? Are you not now, after having incurred this expense, forced to act upon the very advice we then gave? Most assuredly you are. You have no other. We will know the intentions that were used to incite a feeling of hostility against the Quincy Union, and its course on this subject. Time, as we have it, has proved, conclusively, that we were right. Citizens of Plumas County, we congratulate you upon the result, it is for your interests, for the best interests of Plumas County and of Northern California, that the case was decided in favor of the R. R. Co. They intend, and will build the road, and with the building of the road, an era of prosperity will be inaugurated, which will eclipse any thing before seen in the history of Plumas County. There is no conclusion that you have had enough of the attorneys for the People, we can only say that they commenced the evidence in the case the wrong end to, they connected the case as though they had never seen or heard of a like case, and after having advised the county into an expensive suit, upon "information of their own," they failed to even make the first point, no matter how small, upon which they could expect to get a decision in their favor.

Citizens of Plumas, and especially those who would so much hate to see in this matter and denounced everybody in unmeasured terms who did not agree with them, and those who were greatly opposed to a compromise, you have enough food for reflection. Last year, some time ago, and we hope the lesson may be beneficial.

In conclusion, we would say to the people of Plumas, you know as well as we, that something must be done or in a short time this county will be depopulated. Business is almost dead, stagnation and dullness prevail, and if you would see the county prosper, had all the aid in your power to insure the building of this railroad, to the end, you will have one of the richest, most prosperous and populous counties in this State. So much for.

Pennsylvania.

The returns of the election show that on the vote for Congressmen, the Democrats carried the State by twelve hundred majority. Pennsylvania is certain to elect her Electoral vote for Seymour and Blair.

Were we Democrats, we would just let our whole pile on the cock-and-bull stories of the Union, for we know it wouldn't publish any matter without being really certain of its correctness.—Sage Brush.

Thanks, kind sir, your head is level on that proposition.

Grant to Withdraw.

Private advices from the East leave no doubt that, in case a majority of Mongrel Electors are chosen by the people, Grant will at once announce his withdrawal from the field, and leave them at liberty to cast their votes for whomsoever they may see proper. This will no doubt be a relief for President, and B. W. Wade for Vice President. There are not half-a-dozen of the Mongrel leading men who would desire to see Grant President as a choice. His nomination was a necessity, springing out of the warring fortunes of the Jacobins. They felt and knew that they had been guilty of crimes enough to sink a hundred parties. They must, therefore, appeal to other than the sober thought and judgment of the people in their canvass before the country. Hence it was that Grant was seized on as a last expedient. They had made him what he was, and they could not make him what he was not. An act of the Rump, reorganizing the army, might leave him out in the cold. Hence he was made to suffer his name to be used, with the understanding that he should retain his Generalship and be permitted to resign after the election. Of this arrangement there is no doubt, and those who think they are voting for Grant when they are voting for the Mongrel Electors, are simply mistaken.

West Virginia.

The Democrats elect all their Congressmen and have carried the State by two thousand majority. Rah for Grant!

SEYMOUR AND BLAIR.

A Weak Attack.

The Radical papers are howling about Congressman Johnson's course on land matters. They charge that Johnson is in the interest of owners of grants and of land sharps. This is a base and willful falsehood. Nine-tenths of all the settlers in Napa, Mendocino, Sonoma, Solano, Sutter, Lake and the other counties of this district, where any of the land occupied by settlers has a pretended grant not yet confirmed hanging over it, are in favor of Johnson and will support him. Over 300 Republicans in the counties named have come out publicly and not only endorsed Johnson's course but have pledged themselves to vote for him. Harrison is one of the owners of an unsettled grant, he is the candidate of the land sharps, hence the Radicals have raised the cry of "stop thief" to draw attention from their candidate. Johnson will be elected by 3,000 majority.

The election of Grant would be the endorsement of negro subjugation, military law, high tariffs, income tax, the Chinese treaty, and every other outrage of radicalism. The election of Seymour would be the endorsement of the Constitution with its guarantees of civil liberty.

SEYMOUR & BLAIR.

In this country at the present time, taxation by the Federal Government alone, independent of State, County and municipal taxes, amounts to fully \$14 a head—man, woman and child—in the whole population. Take the case of a laboring man with a family of five or six children, and it will be seen that he pays about \$100 a year, which on an average would be about a seventh or eighth of his earnings. Five days he works for himself and family. The proceeds of the sixth, retributed by the Government. Yet workmen are asked to endorse the Radical party.

LATEST FROM THE EAST!!

THE CANVASS.

The following dispatch to H. E. George, Cambridge, Mass., for the New York, Oct. 22, 1867.

Box, Express, Cambridge, Pa., pressing the contest. Seymour has taken the stump, and is received everywhere with the wildest enthusiasm. A change in the ticket for a moment.

Radical majority in Pennsylvania of 11,000 to 860. Pennsylvania, on Monday, 10,000 Radical, by organizing friends, a leading, widespread, and German and Irish native (Germans, 15,000 Radical, with 8,000 negroes, voting against law. Eight Congressmen gained, sure. New York safe for Seymour.

Vote for Seymour and Blair.

Vote for James A. Johnson.

Warning.

If the Radicals are successful on Tuesday next, the people of America will never again have an opportunity of voting for another President. The Republican Congress will centralize the power and will become so corrupt that the people will attempt to overthrow the Administration before the term expires, then a Dictator will be chosen, who as a matter of course will receive the support of all the European governments, and we must bid farewell to the American Republic. This is no fancy sketch, the signs of the times indicate that such would be the result, and it will surely come to pass if the Radical Republicans are successful. Men of California, if you would preserve the Republic, it is your duty to grant that party leave of absence from the control of the affairs for a few years. By all that you hold sacred, and in the name of Freedom, Liberty, Truth and Justice, we counsel you to repudiate the present Radical leaders, and their candidates for President and Vice President.

Rule or Ruin.

The Radical party are spending millions of money to carry the election; they are working for plunder; they have such a good thing on the National treasure that they are loth to let go their hold. General Grant's name is used to give popularity to the ticket, and Ben Wade will receive the votes of electors if enough are chosen to give the Republicans a majority. Men of California, if you want the taxes reduced, if you want the affairs of the Government administered with honesty and economy, if you want peace, happiness and prosperity to prevail over the entire nation, you will vote the Democratic ticket.

Heuston, Hastings & Co.

Heuston, Hastings & Co. ARE THE FASHIONABLE CLOTHIERS OF SAN FRANCISCO.

Fight Mit Sigel.

General Sigel is publishing a Democratic paper at Baltimore. Sigel is enthusiastic for Seymour and Blair, and his course will have a large influence on the German vote throughout the Union.

WORKINGMEN!!

Off with your coats! roll up your sleeves and prepare to fight! On Tuesday next, you have got to meet the opposition head-on, a party which are striving to fasten upon you posterity a Military despotism, more despotic than today rules the sons of Russia, will you not be despised of the republic? Let every independent free man respond we will! It is time that every real friend of liberty was in a ring. Buckle on the armor of truth and strike all error, on to victory!

Is Anson, a Mass. The Truckee Tribune relates the following: "A most sanguinary feud occurred at Chico on Thursday afternoon. It appears that Tom Cox, attorney at law, went from this place to Chico to attend a law case, and after the trial got on a run with a lot of railroad hands, and finally got into an altercation with one of them named Wilson, Jim, and drew a revolver and fired, the ball taking effect in the right thigh of a man named Sullivan. The crowd then turned on Cox and beat him over the head in a terrible manner with a revolver, basing him so that his life was at one time despaired of. Cox was rescued from his assailants and put to bed, and medical attendance summoned. Sullivan, it is thought, cannot recover."

FREEMAN! if any man offers to bribe, or buy your vote—beat the second and last round!

DEMOCRATS, see that the Ballot Boxes are empty when the voting begins, and watch the Boxes all the time. Look out for frauds!

WHERE THE MONEY COMES FROM.—One of the members of the Republican National Executive Committee, who has deserted that corrupt party, states that the Executive Committee have raised from Republican office holders, over one and a half millions of dollars, to be used for election purposes, and that in during the last session of Congress, removed for the purpose of the illegal and outrageous appropriations for claims passed by Congress, over three millions of dollars. They absconded with that amount and were sent to California to be used in the support of the corrupt party for Grant. Tax payers can you expect that the rate of taxation will be reduced while such scandalous swindles and such wicked plunder of the National Treasury is carried on. Can you longer support such a corrupt party?

The people of the Third Congressional District know James A. Johnson and Chancellor Harrison, his radical competitor, and they know which of the two is most likely to be true with the speculators and land-grabbers. James A. Johnson has a reputation for honesty second to no man in the State. He has been tried and found an able and efficient representative. Faithful to the interests of the State, and true as steel, to the cause of Democracy. His majority in November next will be largely in excess of what he received last year.—Sage Reporter.

LOST.—A small sized revolver, five shot, ivory handle. The finder will be liberally rewarded by leaving it with W. T. Byers, at the Plumas House.

Naturalized Citizens.

It is the expressed determination of the Radicals, if they can carry their election, to pass uniform Naturalization laws, and the main provision will be that any person born in a foreign country must reside in the United States for a period of twenty-one years before becoming a citizen of this Republic.

If you vote the Radical ticket for you a sure that proposition.

HER MECH.—We wonder how much Mr. Long, Advice Dealer would take for his interest in the Standard, Blood & Co. Railroad franchise over the Feather River route? It must be very valuable about this time.

TICKET.—We would suggest that the subscription books of the R. R. Co. be presented to the Supervisors on Monday for the purpose of seeing what action they would take, and to see if they couldn't be frightened into resigning. It would be such a good joke on Snyder.

THE COSTS.—If we are not mistaken the Board of Supervisors have on their subscription list in which a number of the citizens of the county agree to pay the costs and expenses of the R. R. Co. per capita has been taken. If such is the case, the county will not be forced to pay any of these expenses, provided the Supervisors see fit to force the payment of said subscription. It is some, some of the parties will growl.

Voters.

The Republican party have had control of the government so long that it has become corrupt. It is time for a change. There must be a change. A change in administration every few years is the only way to preserve a republican form of government. Every man in America, knows the truth of this statement. Then think and act upon it on Tuesday next and vote for Seymour and Blair.

CENTRAL P. R. R.—It is an actual fact that the attorneys for the People, attempted to prove before the Court, that the Central Pacific was a shorter, better, cheaper and more practical route for a railroad than the Beckwourth Pass route. That contingent for the Central Pacific was to pay if the O. & V. C. R. R. Co. was "busted" out, but did not warm the pockets of anybody—not much. Alas, for human expectations.

GET SCARED.—Can't we induce the Board of Supervisors to get another big scare on—ain't they afraid of being compelled to raise the bonds? We reckon the people would not elect them. Suppose we try it! The bonds, the bonds! Remember the BONDS!! Booh! the bonds!!!

P. S.—After reading the above, Mr. Legal Adviser don't advise them to resign, we shall come to the conclusion that he don't want to risk the chances of another election, and consequently isn't so badly scared as he pretended to be when he wanted to get a big fee from the county.

O & V. C. R.

The National charges that Congressman Johnson is the pet of the Railroad Co., when the truth is, that it is requested that a number of the citizens of Butte and Yuba counties, have exacted from Chancellor Harrison the Republican candidate, a promise that if elected, he will pass a bill, granting to the Company, all of the mineral and agricultural lands in Butte, Plumas and Lassen counties. Whereas, Johnson, ever since he has been in Congress, has protected the rights of the settlers and never allowed a bill to become a law which raised the price of land to actual settlers above \$1 25 per acre, and he is opposed to allowing any railroad company to locate any land grants on land actually occupied by settlers. Voters of Plumas, remember this fact on Tuesday next.

Startling Intelligence!

It is currently reported and the charge has not been denied, that Gen. Grant has just allowed his name to be used as a candidate to give popularity to the ticket, and that the Radical Executive Committee have a written promise from him to the effect, that if elected, he will immediately resign, and that the Electoral vote shall be cast for Ben Wade of Ohio, the notorious drunkard and miscegenationist. Voters, will you submit to such a outrage? We trust not.

The Quincy Union.

German, Frenchmen, Swedes, Englishmen, and Irishmen, read the following:

JOSEPH VOLFAK, the Republican Candidate for Vice President, when asked a leading Know Nothing, said: "I have passed the day that I have with a colored woman. I have seen many colored women that I would not walk with that great white Irish and Dutch women. I know a great many negroes who I think are better entitled to vote at this moment than a majority of the foreigners who do vote, and who have long exercised the right of franchise. An intelligent negro is better than a foreign born Roman Catholic, and is more entitled to a vote. And if Democrats give the right of suffrage to the foreign pauper, (and nine-tenths of the foreigners are paupers) to whom a spelling book is a sealed mystery, and who still smell of bilge water, and from whose garments the Celtic aroma or the Teutonic fragrance of the fatherland has not been removed by the pure air of freedom, why should not their superiors, the descendants of Africa's sunny land have a voice in the management of this government? The Democratic party is composed of lag-trotting, ignorant, Catholic Irishmen, swag-bellied, lager beer Dutch, frog-eating Frenchmen, English paupers, slime-covered Swedes and low, ignorant Americans. Therefore I hold that negroes are better entitled to the elective franchise than any class of foreigners, and could I dictate, I would TAKE THE FRANCHISE FROM NATURALIZED CITIZENS AND GIVE IT TO THE NEGRO!"

Naturalized citizens, the Republicans ask you to assist in electing that man to the Vice Presidency? Will you do it?

"For four days' work in 1859 I could buy a barrel of excellent flour. For an equally good barrel now I have to work eight days."

"For one day's work in 1859 I could buy five pounds of tea. For the same day's work I can now buy two pounds."

"For one day's work now I could buy thirty pounds of sugar. For a day's work now I can get but fifteen pounds."

"For a day's work in 1859 I could buy eight pounds of tobacco. For a day's work now I can buy five pounds."

"For one month's work in 1859 I could buy a quite comfortable myself and family a year. To do the same now I am obliged to work at least three months."

DESERTING THE SINKING SHIP.—Three of the nine Electors on the Grant and Colfax ticket in Georgia have withdrawn from the party and openly declared for Seymour and Blair. They are Aaron Wilbur of the 1st, E. R. Hardin of the 2d, and W. W. Boyd of the 7th District.

SHOULD HAVE THE PREMIUM.—If the General Government should offer a premium for the biggest liar in the Republic, the chief agent in the East of the Associated Press of this State, would certainly receive the premium. He can distance all competitors.

THE PUBLIC DEBT.—For the first time in several months the statement of the public debt shows a slight decrease. During the month of September the net decrease was \$70,000—a mere bagatelle compared with the average monthly increase for a long time previous.

When it becomes necessary for the Radicals to carry an election by the aid of a few hundred thousand dollars, it is always easy to explain where the two hundred and fifty millions of dollars, stolen by Radical officials each year, according to Commissioner Wells, may be found.

PRESIDENTIAL ELECTORS.—Suppose all the States are allowed to vote for President, there will be 319 votes in the electoral College of 1869, as follows:

Alabama.....	8	Mississippi.....	7
Arkansas.....	5	Nebraska.....	3
California.....	5	Nevada.....	3
Connecticut.....	6	New Hampshire.....	3
Delaware.....	3	New Jersey.....	7
Florida.....	8	New York.....	32
Georgia.....	9	North Carolina.....	9
Illinois.....	10	Ohio.....	21
Indiana.....	13	Oregon.....	2
Iowa.....	8	Pennsylvania.....	26
Kansas.....	8	Rhode Island.....	4
Kentucky.....	11	South Carolina.....	9
Louisiana.....	7	Tennessee.....	10
Maine.....	7	Texas.....	6
Maryland.....	7	Vermont.....	3
Massachusetts.....	12	Virginia.....	10
Michigan.....	12	West Virginia.....	5
Minnesota.....	11	Wisconsin.....	8

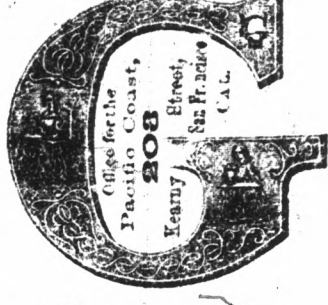

WHAT IT IS.—A vote for Grant is a vote to increase the large public debt that is now weighing us down—to continue the Freedmen's Bureau to feed lazy negroes.

Have taken over Two Hundred First Premiums within two seasons at the grand trial

With the Florence at the great Union Fair, New York, at which trial the Florence was overwhelmingly defeated.

For the Wilcox & Gibbs Machine, thirty-five distinct claims were made for its superiority. All of which were sustained. Whereas for the Florence machine but ten were presented, two of which were sustained. After a thorough and impartial trial, your Committee have decided to award to the Wilcox & Gibbs Machine the larger premium.

SUNNY D. TUCKER, L. C. CHAMPEY, JOSEPH WHELOCK, Judges. COMMERCE HOTEL, SAN FRANCISCO, AUGUST, 1867. AGENTS WILCOX & GIBBS SEWING MACHINES: I have used the Wilcox & Gibbs Sewing Machine for three years; have also used several other first class Machines, but think the Wilcox & Gibbs far superior to any of them.
